

## MARIST COLLEGE DIVERSITY LEADERSHIP INSTITUTE 2020

### APPLICATION FORM

The School of Social and Behavioral Sciences *Creating Inclusive Communities* (CIC) group and the *Teaching and Training Subcommittee* (TTS) of the Diversity Council are launching the *Marist College Diversity Leadership Institute (MCDLI)* on June 15, 2020. This endeavor would allow eight faculty/staff members and two students to develop awareness and skills to further implement and sustain diversity and inclusion initiatives on the Marist College campus. *MCDLI* would bring together faculty, staff, and students to participate in weeklong (June 15 – June 19) didactic, experiential, and peer mentored workshops.

The leadership development model is aligned with the “Social Good” goal of the 2018-2023 Strategic Plan. This institute would:

- ensure a diverse and inclusive community by enhancing training and educational programs that value the importance of diversity and inclusion.
- enhance Marist’s role as a leader institution for ethical understanding and action by fostering a community that embraces respectful dialogues and individual differences.
- use our intellectual and human capital to help solve societal problems by endorsing training that helps leaders promote equity in practices and policies for all in the Marist community.

Applicants will be selected based on the application and a resume/curriculum vita. Our goal is to create a group that will not only benefit from the experience, but will contribute to both the *MCDLI* program and to the campus community in the future.

The application including the resume/vita should be submitted to [Marist.DLI@marist.edu](mailto:Marist.DLI@marist.edu) no later than **5:00 PM on Monday, November 18, 2019.**

Sincerely,
